Your Sterling Heights Community Foundation was established in 1991 to improve the quality of life of all Sterling Heights residents. The foundation focuses on bringing cultural, educational, and recreational enhancements to the community.

Funds raised through the Paver Program will be used to further the foundation's efforts to fulfill its ongoing mission.

The foundation is run by a fourteen-member volunteer board. Board members represent many of Sterling Heights' corporate and local business professionals. All are dedicated to keeping Sterling Heights one of America's finest cities in which to work, live and raise a family.
