

City of Sterling Heights, Michigan Historical Marker Project

Guidelines and Conditions:

1. Building must be documented age of 60 years or older.
2. Period and style of the exterior of the building must reflect the period and style in which it was built. Alterations or additions such as dormers should be sympathetic to and not detract from the original building.
3. Marker is to be flush mounted to the side of the front door, approximately four and one half feet high. If this location is not possible due to physical building constraints, the Historical Commission and owner shall mutually determine the best location for the Marker.
4. A change in ownership of the building should not impact the Marker or its location. The new owner must petition the Historical Commission in order to discuss possible removal or relocation of the Marker.
5. Cost of Historical Marker is \$200.00

Applications should be submitted to:

Tammy Turgeon

Sterling Heights Historical Commission

40255 Dodge Park

Sterling Heights, MI 48313
