

Walk With a CORE Cop

The health of a community is as important as one's physical health. Walk with a CORE Cop is your chance to do both. Join us for one or all of the seven Walk with a CORE Cop events that are scheduled in the coming months. This program is part of the Beaumont Gets Walking program which is a partnership between Beaumont and Sterling Heights Parks and Recreation. Each Walk with a CORE Cop event will begin with the CORE officer giving a short talk on happenings in their patrol district. After the presentation, the CORE officer will lead the participants on a walk through the park. During this time, residents will be encouraged to chat with the CORE officer and ask questions. Participants will walk at their own pace and for the distance of their choosing. For more information regarding Beaumont Gets Walking or the Walk with a CORE Cop program please visit myshpr.net or call 586-446-2750. This program will run rain or shine.

Walk with a CORE Cop program dates. All walks at 6:30 p.m.:
