I verify that all information in this application is true to the best of my knowledge and belief. Scholarships are available for Sterling Heights residents only with the exception of the Adaptive Recreation Day Camp program. I also understand that this scholarship is for **50% of the registration fee**, a need for greater than 50% can be requested and taken under advisement pending available funds. This is for programs that run directly through the Parks and Recreation department only. Some programs and activities do not offer assistance, this includes all trips. The guidelines used are based on the Federal Government poverty guidelines <https://aspe.hhs.gov/poverty-guidelines>.
